## TAMAR IASHVILI - MA IN LAW; SCHOOL OF LAW

My name is Tamar Iashvili and I am a master's student of Law at the University of Georgia. I believe that choosing UG Law School was one of the best decisions I've ever made! This is the place, where you will not be able to be a passive student, where your hard work is appreciated and where you feel the support of the entire university! During my studies, I have participated in four international moot competitions, gained an amazing experience and traveled in four different countries (all expenses were covered by the university). UG gave me the skills I needed to become a professional of my field.

I highly recommend choosing University of Georgia if you want to have unforgettable student years!.
